NARRATIVE:

Edward Watkins is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include voluntary manslaughter-with firearm, grand theft from person, false identification to a peace officer, false imprisonment, possession of narcotic controlled substances, lewd acts in public, possessing controlled substances in prison, DUI, obstructing a peace officer, violation of parole and failing to report. He has served multiple state prison terms, the longest being an 80 month term for voluntary manslaughter-with firearm. Watkins was released from state prison to the supervision of the Los Angeles County Probation Department on August 23, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2014 after he absconded from post release community supervision (PRCS). Watkins qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
